

Fun-Filled Days Are Planned for our 2019 Camp!

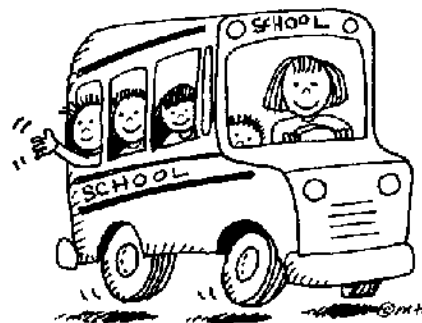

Dear Parents -

The Junior Eagles Adventure Camp offers an exciting array of indoor and outdoor activities created for Kindergarten and 1st grade students. Our program includes a host of enrichment and reading activities surrounding weekly themes. The campers will go on a number of fieldtrips throughout the summer. We believe our camp is one of the best in the area—a great summer setting for Kindergartners and 1st graders, a small family-friendly environment for safe summer fun! Please give us a call to find out more about our full or partial week schedules or come for a visit to see first-hand the warm and welcoming environment we offer our campers and families. We also have a list of references from satisfied parents from our community.

Sincerely yours -

Cathy Halayko & Mary Morrill
